

FOR IMMEDIATE RELEASE

TTS and Travelport showcase travel technology solutions in Australia and New Zealand

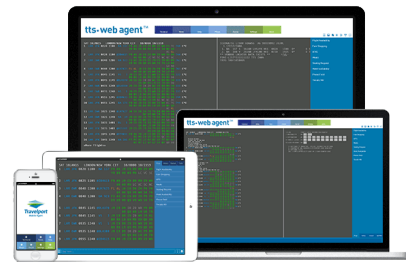

TTS, a global leading player in the development of innovative solutions for the travel and tourism industry, will embark on a roadshow through Australia and New Zealand, from 6th to 11th November in partnership with Travelport.

October 29, 2014

Following the company's strategy to further expand its presence in the Asia Pacific region, TTS has been investing in the last months in adapting its travel technology solutions to meet the specific requirements of the Australian and New Zealand markets.

TTS, hosted by Travelport, will be showcasing its technology solutions for the travel industry on a tour in four cities: Sydney, Brisbane, Melbourne and Auckland. Attendees will have the opportunity to discover the latest TTS product portfolio developments, like:

- **Travelport Mobile Agent** - developed by TTS for Travelport subscribers to allow interaction with the GDS, anytime, anywhere through a smartphone or tablet (Apple or Android). Customers are mobile and now travel agents can be too.
- **TTS Web Agent** - a powerful online tool that brings the full features of Travelport Mobile Agent to the desktop environment without any software installation required and allows travel agents to access Travelport Commerce platform comfortably on a laptop, desktop or TV.
- **TTS Corporate** - a free online and mobile corporate booking solution, specifically designed for corporate travel logic with easy installation and a customizable environment.
- **TTS Wagency** - a simple and easy to implement an online air booking solution that integrates with any website without requiring advanced technical skills.

Pedro Barata, Founder and CEO at TTS, says: *"We look forward to our roadshow in Australia and New Zealand. We believe this will be a great opportunity for everyone in the region to get to know more about TTS solutions. We are also very excited with this initiative as it is the first step of our expansion strategy in the Asia Pacific region."*
